Dear Allan,

It is with real pleasure that I extend my warmest congratulations on the occasion of your having been designated as the Department of State's "Civil Servant of the Year." I will leave to the author of your citation the enumeration of the many outstanding accomplishments in your distinguished career. Those of us who have been privileged to know and to work with you over the years value your friendship and association because of your warm understanding, your integrity of mind and character, but mostly because you are just a plain nice guy.

Sincerely,
